

CALADH & KYLES

Into the Kyles of Bute

Step back in time and let Dualist carry you on a luxury sailing adventure, circumnavigating the beautiful Isle of Bute. Seals and dolphins may accompany us on our journey as we sail through some of the most spectacular scenery in Scotland.

Top right: sailing past the Isle of Arran and above: Caladh Harbour.

Go with the wind...

There's lots to see on this adventure, including an opportunity to helm and sail the boat! We head from the top of Cumbrae across the Firth of Clyde, past Rothesay and Port Bannantyne and into the stunning chasm of The Kyles. The journey is steeped in history. You'll see The Burnt Isles, Wreck Bay and 'The Maids of Bute' as we head up to Caladh.

Whilst anchored in Caladh Harbour, you'll be served a gourmet lunch on board, provided by Fins of Fairlie.

We then continue to circumnavigate Bute, down the West Kyles, passing Tighnabruaich where spectacular views of Arran's 'Sleeping Warrior' will appear. As we pass the island of Inchmarnock - still guarding the 3,500 year old 'Queen of The Inch' - we'll take afternoon tea and scones. At the southern tip of Bute, we steer a course back to Largs across open water where dolphins may accompany us back to port.
